June 2025 Newsletter

Volume 3, Issue 6

## **Message from the President**

Happy Father's Day

Please keep Hans Prost family in your prayers. Hans was one of past presidents from 1970 to 1973. He also served on many committees within the club.

May has been a busy month, with Maifest, and the Spring Concert. With Mother's Day in the mix as well. Now it is already June. Hard to believe we are already into 6 months of 2025.

The Spring Concert was wonderful with the direction of Justin Romey. He does a great job with our choir, and it shows. Thank you, Justin for all the hard work you do keeping our choir sounding like angels singing.

June is our next Biergarten will be out Wurstfest! We will have several different brats to serve. Starts at 2:00, Dinner starts at 5:00.

They have started on the playground with hope it will be ready for our next outdoor event. The new Awnings are up and really look nice. Thank you, Joe Schweinhart for making sure they got done.

Bob Willinger and his team got the yard looking nice for the summer. They planted flowers and some of the hanging baskets. So please give them a big thank you.

It takes all of us working together that make the German American club what it is today. For if it was not for our volunteers works so hard we do not get to be as successful as we are. I for one cannot thank you enough for all the hard work.

Happy Father's Day to all of the dad.

Cathy Reynolds

GAC President

# Meet the Board

1840 Lincoln Ave  
Louisville, KY 40213

## Meet Alex Hoffmann

**Board Position:** Board Member

**Other Club Involvement:** Choir Member, Music Committee, Active Volunteer, Bartender, Oktoberfest Committee, Christkindlmarkt Committee

**GAC Member Since:** 2020

### Why Alex Joined the GAC:

My wife Ashlyn and I decided to join the GAC because we lived nearby, had attended many events over the years, and were looking for something new to get involved in. Ashlyn grew up active in Jasper's Deutscher Verein and always enjoyed being part of that community — so we thought, *why not give the GAC a try?*

Getting involved with the Club has truly given us a sense of belonging. We've met so many wonderful people and even encouraged several of our friends to become members too! I'm excited to continue volunteering, connecting with others, and being part of this growing community — both with familiar faces and new ones!

### Life Outside the GAC:

I'm an architect with Schmidt Associates here in Louisville and fortunate to be involved in some exciting projects happening around the city. My wife Ashlyn and I share our home with two energetic pups, Noodle and Roux, who definitely run the show.

Outside of work, I enjoy staying active with golf, volleyball, and horse racing — pretty much anything that keeps me off the couch.

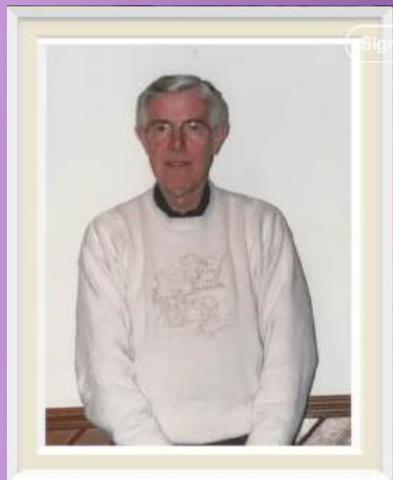

Ashlyn and I also love to travel and explore the world together. For our anniversary in 2024, we took a memorable trip down the Rhine River from Amsterdam, and wrapped it up in true Bavarian style with Oktoberfest in Munich.

### Favorite GAC memory:

One of my favorite memories with the Club has been helping to bring back the Christkindlmarkt.

For years, my family has taken an early December trip to Chicago to visit their holiday markets—it's become a tradition that really kicks off the season for us. Being part of the team that revived this event at the GAC has been incredibly rewarding.

I've truly enjoyed working alongside a great group of volunteers to coordinate vendors, activities, food, and drinks. I'm excited to see how the Christkindlmarkt continues to grow and become a beloved tradition for our community as well.

## In Memory of Hans Probst

We are deeply saddened to share the passing of **Hans Probst**, a beloved member of our community, former **GAC President**, dedicated contributor, & trusted advisor. Hans went to be with our Lord on **May 13** at the age of **91**, having lived a full & meaningful life.

Please keep his **wife, children**, & all who loved him in your thoughts & prayers during this time. May they find peace & comfort in the memories shared & the legacy he leaves behind.
