## Message from the President

### Schönen Vierte Juli (Happy Fourth of July)

I have often been asked what I get for my membership. I can tell you what I have gotten out of my membership to the German American Club. With my membership I have made many friends. Have traveled with some of these friends to different German Restaurants, or on road trips to different places. Without these friends I would not have known about these places. I have never had so much fun working within smaller groups as well. So, I guess getting free drinks and meals when volunteering is not high on my list. Meeting new friends is.

The Playground is done, all but the fencing. We hope to have that done by next Biergarten in July. A huge thank you to Ashlyn Ackerman for all the hard work and time she had spent to ensure that it all came together. Thank you to all that donated to the playground.

The Wurstfest was attended very well despite the rain. The children had a great time either playing on the new playground or playing in the rain and water puddles. Watching the children playing brings back memories of mine own boys at that age.

July 12 is our next Biergarten with the theme Summer Festival. We will have our normal German foods. Please sign up for a slot to help the German American Club. Without your help we cannot have these events. Thank you for all your help this year, it is very much appreciated.

August 2nd, we will have a bus to go to Evansville's Volksfest. If interested the cost is \$30 per person. Talk to some who have taken the bus to find out how much fun they have on the way there. See Tim Redmon, Mark Schroeder or Cathy Reynolds. Some of us are driving up on Friday because we also go to Jasper's Strassenfest, which is both on the same weekend.

Our 4th of July vs Germany Celebration on 3rd of October. Our 4th of July is celebrated in United State commemorates the passage of the Declaration of Independence by the Continental Congress on July 4, 1776. This document announced the separation of the 13 North American colonies from Great Britain. Whereas Germany Celebrate on 3rd of October celebrate the reunification. Germany celebrates the fall of the Berlin Wall and the subsequent reunification of east and west.

Happy 4th of July to everyone and be safe on your travels or shooting fireworks.

## Hallöchen! A Note from Board Chair, Ashlyn Ackerman

The Board met in June and here are a few exciting updates:

 **Playground Complete** - Construction is finished, and it was a joy to see kids enjoying the new *Spielplatz* during Wurstfest! A formal dedication will take place once donor signage is installed. Thanks to a successful sponsorship drive, we saved the Club over **\$22,000**—see the breakdown on the next page. A huge thank-you to all of our generous donors!

 **New Stage on the Way** - Thanks to a generous donation from the **Jasper Strassenfest Committee**, a new 20x20 outdoor stage is on its way! We plan to have it installed before Oktoberfest, providing more space for entertainment and smoother band transitions.

A big thank-you to **Jasper Strassenfest, Mike Ackerman**, and our dedicated volunteers—**Fritz Graas, Ray Krause, Bill Bartell, and Alex Hoffmann**—who helped prepare the foundation. Keep an eye on your email for upcoming volunteer opportunities to help bring the stage to life!

 **Giving Back** - The Board has approved a \$2,000 donation—raised through Wurstfest tips—to the **WHAS Crusade for Children**. Thank you to everyone who helped make this possible!

## Got an Idea to Improve the GAC?

Drop your suggestion in the **Suggestion Box** located in the Main Hall by the stage!  The Board checks submissions monthly. Feel free to remain anonymous, or include your name if you'd like follow-up. With a big membership and a small Board, **your input helps us grow!** 

## PLAYGROUND FINAL COSTS + DONATIONS:

We're excited to share that playground fundraising is now complete, and construction is officially finished! Thank you to our members, guests, and community for your incredible support.

Back in December, the GAC membership approved up to \$50,000 in club funds for the project. Thanks to generous donations and sponsorships, the final cost to the Club was just \$27,504—saving us \$22,496! These savings also allowed us to include a terraced seat wall in the final design.

A big thank-you to Koetter Construction and United Mechanical for their hard work and contributions to have the playground ready for Wurstfest.

A formal dedication is planned for later this summer, where we'll announce our naming rights sponsor and recognize all our donors.

 See the charts on the next page for a full breakdown of costs and donations.

## 🍒 A Sweet Start to Summer! - We've had an eventful few weeks at the GAC!

👩 On **June 14**, we hosted our first German cooking class with **Nina Greipel**. She treated us to two delicious desserts—**cherry strudel** and **obstkuchen**! 🍰 Each participant received printed recipes and a gift packet of Clear Glaze, then got to sample both creations (spoiler: they were amazing!). With participants ranging in age from **7 to 70**, it was a fun and tasty afternoon for all!

## Meet Andy Feulner

**Board Position:** Board Member

**Other Club Involvement:** Volunteer Committee Chair, Volunteer

**GAC Member Since:** 2019

**Why Andy Joined the GAC:** I joined the club to learn more about my **German heritage**, connect with my roots, and better understand the traditions and culture that shaped **my family's history**.

But it quickly became so much more than that. I met **wonderful new people**, made **lasting friendships**, and found a true sense of **community**.

Being part of this organization has given me the chance to not only **celebrate culture**, but also to **give back**—through volunteering, participating in events, and helping to build volunteerism at the club.

## Life Outside the GAC:

I've had a **lifelong passion for history**—it began at age five and led to a **degree in History**. The past and its influence on today continue to inspire me.

My wife, **Kelly**, and I love to **travel**—we've definitely caught the **cruise bug**, and exploring the world is one of our favorite pastimes. At home, our **two dogs and two cats** always keep us on our toes.

Over the years, we've **hosted three German exchange students** which has been a rewarding way to **broaden our family** and **deepen our connection to German culture**. If you've ever considered it, we **highly recommend hosting a student!**

I enjoy **connecting with others**—you can learn so much through conversation and shared stories. In my free time, I like to **work out** and unwind with a **fine cigar**.

## Favorite GAC memory:

There are **too many great experiences to name**, but I especially enjoy the **club bus trips**. They offer a **fun** change of scenery while still keeping that same club spirit! Plus the **Jell-O shots are pretty legendary!**

Being part of this organization has been a great way to connect, give back, and celebrate shared interests!

## In Memory of Beverly Boeckmann

It is with deep sadness that we share the passing of **Beverly Boeckmann**, a cherished member of our community since **1997**. Beverly passed away peacefully on **June 21, 2025**, at the age of 85. She was born on **April 8, 1940**, in **Brandenburg, KY**.

Beverly was a devoted **wife, mother, grandmother, great-grandmother, sister, and friend**. Her warmth, kindness, and steady presence will be remembered by all who knew her.

We extend our heartfelt sympathy to her husband **Richard**, a loyal GAC member since **1971**, as well as to her children, extended family, and all those who loved her. May they find peace and comfort in the **memories shared** and the **lasting legacy** she leaves behind.
