Message from the President

Oktoberfest Time

The time of year has arrived once again for Oktoberfest on September 5th and 6th. So as always, we will need plenty of volunteers for this two-day event. So please, if you can spare some time, come join us with all the fun working during the Oktoberfest.

Our 5th Friday will be August 29th. Bring a covered dish and meet other members of our German American Club. This is a great way for our new members to meet some of us older members and just have some fun.

The bus trip to Evansville was a fun way to see other German Clubs. Thank you, Evansville, for hosting us again this year. The weather was perfect for setting outside and listening to the bands this year. I hope we have good luck with the weather as well.

We had a great turnout for the spare of the moment members only event August 16th. It seemed that everyone was having a great time chatting with each other. Just getting to know each other a little bit better.

We are having a special election for one board member, if interested the signup sheet for this is on the patio. We will vote for one person on September 3rd, before the general meeting.

I will be looking for a new Historian and IT person who can work on some of our equipment like our mess unit. If you are interested, please see me or send me an email at GAC2023president@gmail.com.

Helen, Georgia, will be celebrating their 55th Annual Helen Oktoberfest, the nation's longest-running Oktoberfest celebration, held in the charming Alpine town of Helen, Georgia. The 2025 festivities span from September 4 through November 2, featuring extended dates to commemorate this milestone anniversary. Most of the weeks it is only Thursday, Friday, Saturday and Sunday.

Hallöchen! A Note from Board Chair, Tanya Schantz.

🎉 Happy September GAC Members!!!

Please join me in welcoming our newest board member, **Klaus Riedelsheimer** 😊 Glad to have you aboard! 🙌🙌🙌

🪑 **Currently we still have one open board seat** and will be holding a **special election** at the September meeting. A sign-up sheet will be out on the veranda for those that wish to sign up 📝 Please take the time to review the duties of the board and sign up if you're interested.

🗳️ **Voting will open at 5:00 PM Wednesday and end at 7:20 PM** before the September business meeting. The elections committee will announce the new official afterward. We decided to extend voting 20 minutes into our meeting to give those USPS members enough time to vote in case mail runs late due to the holiday.

📢 **Please help spread the word** regarding the open seat—we want all members to have the chance to sign up and vote!

🌳 Playground Updates:

We've had several inquiries regarding the playground—particularly its size and the age group it serves. We hear you!

💡 Everyone had the opportunity to review the specs, including cost and breakdown of where the money went, and to share opinions before plans were finalized. We understand things look different in real life than on paper.

✅ The board is reviewing options, including **adding to the play area in the future** for older children in the designed age group. If you have suggestions, please contact a board member!

📢 From Your New Board Chair:

I want to **apologize** 🙏 for how the August business meeting went. To say it was poorly executed is an understatement, and I truly am sorry this happened.

✅ To be transparent, the board met and discussed what needs to be done to correct mistakes. The Board and Officers took an oath to uphold the GAC constitution and by-laws, and that's what we plan to do.

🍷 Regarding the license issue: No board member was aware we had the wrong license. When the State ABC came in and advised us previously, we believed we were in compliance. Unfortunately, after a recent call to the ABC, we learned otherwise. We are working diligently to **get this corrected**.

We are all human and make mistakes ❤️ We can't change the past, and yes, we sadly lost some great people because of this—but we hope members will give us a chance to **make things right** and move forward together.

🏠 My door is **always open** for any concerns you may have. I may not have all the answers, but I'll do my very best to find them for you!

Meet Karin Naumowicz

Board Position: Board Member

Other Club Involvement: GAC Vice President & Choir Chair

GAC Member Since: 40+ years

Why You Joined GAC: I discovered the Club shortly after returning from Germany, and over the years, I've had the privilege of serving in almost every position—both elected and as a volunteer. Along the way, I've met so many wonderful people and built lasting friendships.

I joined the choir right away because I love to sing and have always enjoyed the traditional German folk songs I remember from school. Coming to the Club feels special to me—it's a connection to my heritage. Even though I've made my home and citizenship here, in my heart, I will always be German.

My daughter Tanya shares the same passion for the Club as I do, and together with my husband Bob, we've hosted many guests from Germany throughout the years.

Favorite GAC Memory: I truly enjoy meeting new people, talking with them, and making them feel welcome at our Club. One of my favorite activities is going on trips like Saengerfest. The bus rides are always a highlight—filled with laughter, singing, and the chance to get to know each other better.

Being a member of this Club is such a joy. It's all about great friendships and unforgettable experiences, and I always look forward to every visit.

Fun at Volksfest
