## Message from the President

**Sommer ist Weinsaison** (Summer is Wine season.)

Looking ahead, our calendar remains full of exciting events. We're grateful for the energy and enthusiasm everyone brings to these gatherings which make our community so vibrant. Even with a little rain, the spirit of togetherness always shines through.

As most of us know by now our Weindorf (Wine) Festival has been cancelled due to our liquor license. We are actively working very hard to get an upgrade to our license, so we have it in time for Oktoberfest. We appreciate your understanding and support as we navigate this process.

July has been another busy month with 4th of July, biergarten on July 12 and the last cooking Class. Thank you to all who have volunteered to help our club succeed. I cannot begin to tell you how much I appreciate each one of you.

August 2nd, we will have a bus to go to Evansville's Volksfest. If interested the cost is \$30 per person. Talk to some who have taken the bus to find out how much fun they have on the way there. See Tim Redmon, Mark Schroeder or Cathy Reynolds. Some of us are driving up on Friday because we also go to Jasper's Strassenfest, which is both on the same weekend.

Did you know there are plenty of opportunities to help the club? There are a lot of people behind the scenes that need volunteers. So, if you cannot help at the events there are plenty of other opportunities that you may be able to do. For example, Honey Doers that meet on Tuesday mornings from 9 to 12. Lunch is provided. The kitchen will need help with breading for Oktoberfest. This is most of time on Thursday's. There will be a notice sent out for this.

Our 5th Friday will be August 29th. Bring a covered dish and meet other members of our German American Club. This is a great way for our new members to meet some of us older members and just have some fun.

As we were going to have our Weindorf (wine) festival, in Frankfurt Germany they to have an Apple Wine festival. This is a 10-day celebration of one of the city's most famous Apple Wine (Apfelweinfestival). Apple wine - known locally as "Ebbelwoi".

Try to stay cool as the month of August is one of our hottest months.

## Hällöchen! A Note from Board Chair, Ashlyn Ackerman.

The Board met in July and here are a few exciting updates:

🔧 **Playground Fence Complete!** The new fence around the playground is up and looking great! 📍 We're planning a special dedication during Oktoberfest—stay tuned!

👏 **Stage Built with Love (and Sweat!)** Huge THANK YOU to all the amazing volunteers who braved a steamy Sunday afternoon to build our new outdoor stage! 🙌 A few finishing touches are still in the works, but we can't wait to start using it. This elevated stage will be a centerpiece at future events! 🎵🌟

💰 **\$1,000 Donation in Honor of Mike & Ann Ackerman.** The Board voted to donate \$1,000 to the Jasper Deutscher Verein in honor of Mike & Ann, who brought the stage idea to life and donated time, materials, and equipment. Thank you both! ❤️

📖 **GAC Constitution Update Coming Soon.** An updated version of the GAC Constitution is almost ready for review.

Join us for a special presentation on **Wednesday, Sept. 17 at 6:30 PM** to hear about the proposed changes. 🗣️ After the meeting, we'll email the proposal to all members for review. A second meeting will be held to give everyone a chance to ask questions and offer feedback.

Let your voice be heard—this document will help guide the club for the next 10 years! 💬✅

⚡ **Faster Internet = Better Experience!** We're upgrading our internet speed from 100 Mbps to 1 GIG! That means smoother transactions and better streaming during sports events. 📶💻

💳 **New Credit Card Fee Policy!** Right now, GAC pays all credit card processing fees (around 3%), costing the club over \$15,000 per year. 😬 Starting at Oktoberfest, a small 3% processing fee will be added to all credit card purchases.

💵 Cash payments will remain fee-free! **Treasurer Jonathan Marks will share more at the August general meeting.**

## German Nursery Rhymes Fun Facts

**Catchy & historic!** 🎵🔍 - German nursery rhymes (*Kinderlieder*) have been passed down for generations—many date back to the 18th and 19th centuries. They're little time capsules set to music!

**"Alle meine Entchen" is a duck anthem.** 🦆🎵 - This super simple tune about little ducks swimming on the lake is often one of the first songs kids learn. It's adorable, catchy, and basically Germany's "Twinkle Twinkle."

**Some are surprisingly dark.** 😬🌑 - Don't be fooled by the sing-song tone—some rhymes, like "*Maikäfer flieg, dein Vater ist im Krieg...*" reference war, loss, or old folktales. A reminder that not all kids' songs were originally meant just for fun.

**"Backe, backe Kuchen" = baking & fire.** 🍪🔥 - This sweet baking song includes the line "*Der Bäcker hat gerufen...*" ("The baker has called") — a nod to when townsfolk shared one hot oven. It lists ingredients too — great for little chefs in training!

**Sneezing rhymes are totally a thing.** 🤧🎵 - "*Hatschi Bumba Tschatschi, der Teufel ist im Patschi!*" is a silly nonsense rhyme involving a sneeze and... the devil in a slipper. Kids love the sound of it, even if it makes no sense. 😊

**They sneak in life lessons.** 🧼🐾 - Many German rhymes subtly teach kids everyday things: cleaning up, animal sounds, counting, seasons, or polite behavior — all through rhythm and repetition.

**"Fuchs, du hast die Gans gestohlen" brings drama.** 🦊🦢📢 - In this classic, a fox steals a goose, and the farmer wants it back. It's suspenseful, a bit grim, and somehow totally charming. Think of it as a folk tale in song form.

**Clapping & movement are essential.** 🙌💖 - Songs like "*Aramsamsam*" or "*Hände waschen*" come with motions, claps, and actions to match the lyrics—perfect for building coordination and keeping little hands busy.

**There's even a goodbye lullaby.** 🌙💤 - "*Ade, zur guten Nacht*" is a soft farewell song, perfect for winding down. It's sung with a calm rhythm and warm lyrics—ideal for tucking in sleepy little ones. 😊🌙

## Meet Tanya Schantz

**Board Position:** Board Member

**Other Club Involvement:** Kitchen Manager. Over the years I have been involved/worked in various areas of the club such as: Cashier, bar, snack bar, kitchen, choir, arrangements committee, catering private events, and just about every other area you can think of.

**GAC Member Since:** I officially joined the GAC in 2004; however, I have been attending the GAC since I was a child with my mom, Karin Naumowicz. As a child, I also helped wherever I could.

**Why You Joined GAC:** Although I had been volunteering in the bar for a few years prior, in 2003, my mom asked me to join her team (2nd crew) in the kitchen that she was running. After a year working with her and her team, she asked me to join. Considering the best part was the people I worked with, and spending quality time with my mom and dad, I thought it was a great idea to officially become a member.

**Life Outside GAC:** I work a full-time job as a Post-Pay Auditor, that I particularly enjoy. I have 2 adult children, Autumn and Adam and 1 adult "adopted" daughter, Charlee. I'm also a Mimi to 3 awesome grandkids and 4 bonus grandkids. I enjoy spending as much time with my family as I can. In the summer, we enjoy swimming a lot and going to the zoo when we can. I love going to my grandsons' games and cheering them on when time permits.

**Favorite GAC Memory:** I have many great memories in the GAC, but the best times were prior to and right after our club opened to the public. Things were simpler then. You got to actually know the people. Although there are many people that I have worked with over the years, some of my favorite people, which are no longer with us unfortunately, were Jimmy Boeckmann, Brad Stout, Jackie and Joe Steinemann, Ingrid and Kurt Hoffman and Otto Becker. One of my favorite GAC memories was probably Oktoberfest 2012. Such a great night working with people like Joe Steinemann, Otto Becker, Patsy Stout and so many more. Oktoberfest 2009 was also the start of my daughter, Autumn, coming and helping, and has helped every Oktoberfest since. I grew up in this club, and so did my children. I now have one of my grandkids, Clarity, who comes in and helps also.
